Dear Friend:

You are invited to sponsor a concert and community barbecue to raise money for all of our Mendocino County volunteer fire departments, which so valiantly fought the Lightning Complex fires in June and July and whose funding is mostly raised by their own community events. All proceeds will go to the Mendocino County Fire Chiefs' Association for distribution. All the musicians are donating their time. The Mendocino County Fire Safe Council, Inc., a local nonprofit, is the umbrella fiscal organization.

Please consider becoming a Lightning Jam Sponsor!
