

Official Welcome

OFFICE OF THE GOVERNOR

California Agriculture Fair Season

On behalf of the State of California, it is my pleasure to welcome you to the 2022 fair season.

When we talk about building a California For All, our network of fairs provides an excellent example. Fairs serve communities throughout our great state, and they showcase the breadth of our diversity, inclusivity and innovation.

California's fairs introduce our children to a wondrous agricultural bounty - a point of pride for the Golden State. The livestock competitions, educational exhibits, exhilarating carnival rides, live performances, entertainment, and offerings from local vendors featured at our fairs highlight California's cultural heritage.

As exhibitors, the fair provides you with the opportunity to showcase your hard work and commitment. Through your exhibits, the community learns more about California and its agriculture and values. Thank you for your support, participation, and for playing a vital role in California's agricultural community.

Sincerely,

GAVIN NEWSOM

Governor of the State of California

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

We can take pride in the fact that California fairs are world leaders in providing educational and competitive exhibits that showcase local communities and their talents, as well as providing a venue for all cultures and lifestyles to promote diversity within the community. California fairs encourage their communities to learn more about the bounty of California agriculture. They foster the reconnection of consumers to the land and to the people who produce their food.

Fairs are a tradition for families and communities to come together to create lasting memories. However, our fairgrounds are much more than just a place to celebrate. We cannot overlook the events that take place at our fairgrounds throughout the year; from crab feeds to weddings and, as needed during emergency situations, fire camps and evacuation centers.

As we look ahead to the year 2022, I would like to express my appreciation for all fairground's staff, volunteers, and others who share a commitment to serve their local communities. Thank you all very much. Your support of California fairgrounds is invaluable. Yours truly,

Karen Ross
Secretary

EXHIBITORS SUGGESTIONS

The Redwood Empire Fair endeavors to produce a quality Fair. This is not possible without the help and cooperation of our Exhibitors. We appreciate your comments and invite you to submit suggestions. Suggestions or concerns should be put in writing and mailed to The Redwood Empire Fair, Attention: Entries Department, 1055 North State Street, Ukiah, CA 95482. After each Fair, approximately 3-4 weeks, we have premium book meetings, open to the public. Call the Fair office for dates and times, 707-462-FAIR.

Ribbon Recycle Program

Do you have Redwood Empire Fair ribbons popping out of the closets, on top of garage shelves in shoe boxes or hidden in kitchen drawers? The Fair would love to have them.

Start by going through all of your awards and setting aside those that don't matter much to you. If you have a twinge of sentimentality about these lesser accolades, snap a photograph of them before donating them to the Fair. After sorting, if most of them are ribbons and lightweight, bag them up and re-gift them to the Fair.

Ribbon Recycle Program

Do you have Redwood Empire Fair ribbons popping out of the closets, on top of garage shelves in shoe boxes or hidden kitchen drawers? The Fair would love to have them. Start by going through all of your awards and setting aside those that don't matter much to you. If you have a twinge of sentimentality about these lesser accolades, snap a photograph of them before donating them to the Fair. After sorting, if most of them are ribbons and lightweight, bag them up and re-gift them to the Fair.

Redwood Empire Fair Camper Rules CAMPING IS NOT MANDATORY

It is the intent of the Fair to provide a safe and enjoyable environment for all livestock exhibitors and their families. To insure a safe and enjoyable fair, it is imperative that all participants are familiar with the rules and their ramifications. By signing and submitting an entry form you acknowledge having read and understood the state and local rules and agree to abide by them.

Particular attention should be given to the Rules for California Fairs 2022, which state, "Fair management shall deny entry or disqualify and remove any exhibit or exhibitor that has violated State and or Local Rules" or exhibits unruly behavior.

The ability to camp at the fairgrounds is a privilege. Abuse of this privilege will impact future exhibitors as well as current exhibitors. In addition to complete list of rules in the premium book, rules mandate the following.

1. Anyone that is exhibiting under the influence of drugs or alcohol will be held responsible for their actions, which may include any and all animals removed from all classes they have entered including removal from the auction.
2. Disruptive behavior will not be tolerated.
3. Alcohol or drug use or possession will not be tolerated.
4. Each camp space shall have an adult chaperone over the age of 21 years old staying in the camp space.
5. If a vehicle is parked in the fire lane, a camp space or no parking area, it will be towed at the owner's expense without notice to vehicle owner.
6. No Swimming Pools.
7. Camping is only for exhibitors, leaders, parents and chaperons. Siblings will need special permission from the 4-H Community Leader or FFA Advisor.
8. All camping shall be in the assigned camp space, and not protrude into a designated fire lane. Once assigned, a camp space cannot be moved without permission.
9. Camp curfew; **11:00 P.M.**
10. All visitors must leave the camp area by 11:00 P.M. No visitors are allowed to stay overnight.
11. Exhibitors will not be allowed in the barns past 11:00 P.M.
12. Dogs are not allowed on the fairgrounds.
13. Registration deadlines will be enforced.
14. There will be a mandatory exhibitor meeting at 5:30 PM Wednesday morning to review rules and expectations.
15. Problems should be brought to respective 4-H Club leaders or FFA Chapter advisors first, unless an emergency situation exists. If that leader is not able to deal with it, then the leader will bring it to the Fair Manager.
16. All fees must be paid with one Check from Clubs/Chapters, Independent cash or cashier check.

The ultimate ramification of failing to abide by the rules is the removal of the exhibitor and the exhibit from the fair grounds and forfeiture of premiums and all other awards including removal from auction. In order to

insure a safe and enjoyable experience for all, fair management will remove those exhibitors that show disregard for State and local rules.

The Systems Approach uses a scorecard, which is one part of a program to provide junior exhibitors a learning experience that emphasized all aspects of production. It is used to evaluate the total product rather than just the live animal as it appears on show day. The Systems Approach will reward exhibitors for their learning and effort for the entire year. If we attempt to teach junior exhibitors' proper selection, care and nutrition, then we should reward them for their successes in those areas. The scorecard actually gives several evaluations and weights each category to determine a composite score. Exhibitors can be successful on one, two and all three areas on the scorecard and by doing so can be successful without "winning" the class. Part 1 – Lean Yield. Part 2 – Usefulness Evaluation. Part 3 – Gain and Quality Grade. This contest will be performed Friday, August 5th at 1:15 p.m. in Racine immediately following the dairy cattle show. **Sifted animals are not eligible.**

SPECIAL AWARDS TOP PLACING 4-H AND FFA MARKET ANIMALS BORN AND RAISED IN MENDOCINO COUNTY

“Born and raised in Mendocino County” is a program that supports our County and keeps money in Mendocino County. It helps support breeders and our youth.

As you are aware many of our youth have breeding projects but purchase market animals from out of county. Our goal is to encourage our young people to either raise their own market animals or to purchase them from a breeder in Mendocino County. We feel this award will be an incentive in the years to come for leaders and parents as well as the 4H and FFA members to strive to improve his or her own flock, herd or support the growers from their county.

This is how the program works: The exhibitors with the top animals at Fair from the Mendocino County win cash awards. The breeders will be recognized when the exhibitors win champion or reserve champion.
