

REDWOOD EMPIRE

2023 RIDE LIST

CENTURY WHEEL

A towering tradition of Butler Amusements, the Century Wheel dominates the Midway day and night, offering patrons a sweeping view from a height of nearly 70 feet! Passengers are seated in separate gondolas and then whisked smoothly over the top and down again, reminiscent of the Ferris wheel. The Century Wheel is a pleasant ride for the entire family. The Century Wheel is more of a showcase than ever! Recently equipped with a brand-new LED lighting package, the wheel uses less energy and produces a magnificent light show!

HIMALAYA

You won't have to make the trek to the snowy slopes of the Swiss Alps to experience the rush of a toboggan ride. See the fair in a blur as the fabulous Himalaya takes you on a fast, up-down-around trip faster and faster, then backward too.

ORBITER

The Orbiter is an exciting teen ride which features 4 twirling arms holding three spinning seats each. This Italian made ride twirls riders around until their seats are perpendicular with the ground below, quite the sight day and night.

RING OF FIRE

Love of the Midway is a burnin' thing, and in this case, it makes a fiery ring. On the Ring of Fire passengers are firmly secured in their seats within a train of cars and are taken on a journey that circumnavigates the inside of a 'ring of fire'. The train pauses only once at the top before cascading down the track backwards! The Ring of Fire is a spectacular ride just for teens and adults.

CYCLONE

The Cyclone is a thrilling ride that is enjoyed by kids, teens and families of all types. The Cyclone has 8 uniquely designed spherical passenger vessels each with a capacity of 4 persons. Each vessel includes a centrally located steering wheel which enables the passengers spin the cars themselves. The Cyclone lifts 7 ½ feet into the air and tilts 20 degrees for a terrific ride sensation.

ZIPPER

The Zipper has been one of the Midway's most recognizable attractions for years, providing thrills to riders from teens to adults. There's more spinning going on with the Zipper than an out-of-control top. While the 'cages' holding two passengers each rise and descend on a tower boom, each spin independently and the entire boom turns, too. Three times the action, backed by spectacular lighting bringing them back for more.

ALIEN INVASION

The Alien Invasion welcomes passengers aboard an enclosed alien spaceship. Once inside the entire ride revolves, spinning at 24 RPM and uses centrifugal force to sweep passengers you off of their feet giving them the feeling of weightlessness. All aboard this 45-person capacity Alien Invasion for one wild ride.

TILT A WHIRL

Round and round they go and where they stop, nobody knows! An old favorite that has thrilled and excited patrons for generations, the Tilt-A-Whirl is a swirling experience for teens and adults. Separate cars rotate individually as the entire ride revolves up, down and around!

GIANT SCOOTERS

A new innovation on a traditional ride, our Scooters are state-of-the-art. Riders, seated in their "cars" begin a trip over a rectangular floor, bumping and dodging other drivers in their way! Coupled with the thrill of the ride is a light show, TV videos visible around the center of the platform, music, and more special effects at night! The Scooters are a custom-built attraction – the first in the United States, available only through Butler Amusements.

VIPER

The Viper ride is another recent spectacular ride that Butler Amusements will be bringing to the midway this year. A colossal ride with a brilliant green snake theme will take riders on a whirlwind journey. The large arm across the entire top of the ride tilts and spins. At each end of the giant arm are two clusters holding two-part seating which spin independently as well. The open-air design allows riders to experience spectacular twirling views. The Viper seats 24 passengers and uses state of the art shoulder bars.

ROCKING TUG

Those who normally go with the flow are encouraged to rock the boat a little this year at the Fair. This little tugboat spins, dips and peaks like riding an ocean swell. The Rock N Tug seats approximately 20 individuals so parents can take to the high seas with their children.

JUMPING JUMBOS

Adding yet another humorous touch to the Midway is our Jumpin' Jumbos. This cadre of eight comedic elephants rise into the air and then gently descends while rotating from a center tower.

RENEGADE

A high seas adventure awaits aboard our fun-filled pirate ship funhouse, Renegade. Filled with challenging and amusing obstacles, this is thrilling, yet just right for the whole family! The patron's dodge punching bags pirates and climb a cargo ladder before sliding into the mouth of a great white shark! From inside or out, the Renegade is an unusual "sailing" attraction!

BIGFOOT TRUCKS

The Bigfoot Trucks are an all-time favorite of the kiddies featuring mini-monster trucks. The children feel as if they are driving around the track. Mom and Dad can even ride in the back.

CAROUSEL

For decades, audiences have been awed by the beautifully handcrafted majesty of the carousel. To witness The Grand Carousel is to see this piece of Americana in all its glory.
